## MAURICE / ALLABOUTUS

"We admire the progeny of these excellent Japanese sires and love finding these stallions in their early careers, like Maurice, where we can be ahead of the game and make value purchases like we've done with this colt at just \$160,000."

- AB

This colt is very typical of the type that has become synonymous with his young, and very exciting, sire in just a small period of time. **Maurice (JPN), Japan's 2015 Horse of the Year and Group 1 sire** in both Australia and Japan, has it all ahead of him, having already produced a **Victoria Derby winner in 3YO Hitotsu**.

The dam, Allaboutus was an accomplished performer from sprinting distances through to middle distances and of her

four foals to race, three are already winners.

He is a nice, raw individual with a lot of size and scope about him. He moves so well, with a big action and presence. We expect him to be a nice runner at two, yet more exciting is that **whatever he does as two, he'll be better at three, four and five!** We expect him to have that longevity and to give his future owners plenty to cheer about.
